**CONCILIATION
RESOURCES**

Dear supporter,

Thank you for your interest in supporting Conciliation Resources.

Conciliation Resources is an international NGO making a difference to communities affected by conflict in some of the most politically complex places in the world.

Since 1996 we have been bringing people together to find creative solutions to violent conflict and with your support we can reach even more people impacted by war and make change that lasts.

What you can do

There is no single best way to organise an event, be it a bake sale, a run (or walk), a dinner party, a quiz or a stall - the possibilities are endless and our key piece of advice is that you do what you really love to do - and share it with your community, locally or globally, in person or online.

This pack provides you with the materials you may need for your own fundraising activity including a poster and a sponsorship form which incorporates a gift aid option for anyone who would like to boost their donation by 25% at no extra cost.

We are here to help

If you would like any further information about fundraising for Conciliation Resources, please get in touch, we will be happy to help. You can contact us by emailing fcinfo@c-r.org.

Thank you so much again for supporting us, we look forward to hearing back from you soon!

P.S We'd love to hear about your initiatives so please let us know your stories and send us your event pictures. You can also tag us on X using [@CRbuildpeace](https://twitter.com/CRbuildpeace) and link to our Facebook page here: <https://www.facebook.com/ConciliationResources/>
